Introduction

Arima Race Club is pleased to present its new Mobile Betting Platform called MBet. Now you can place your wager on both our Local and Simulcast Tracks from either your Mobile Phone/Tablet or Computer Internet Browser.

How to access MBet from your device

From your device's web browser, go to the following URL: https://mbet.arimaraceclub.com directly or click the link provided on our website's homepage: www.arimaraceclub.com.

Please see picture below:

Types of MBet Accounts

Currently there are two types of accounts to use: Regular/Permanent Account and Daily Accounts.

Regular/Permanent Accounts

This account is an account created where you will be given a permanent account number within our system. If you already have an existing Tele-Betting account then you can you this account to wager into MBet. For creating new accounts or accessing your existing account, please contact our Mutuel Department via 800-4BET (4238) or 642-7223.

From here our Mutuel Department will give you your unique account number and temporary PIN number. We highly advise you change your PIN number within MBet via change PIN feature as shown here or see page#8.

Daily Accounts

This account is created by any teller terminal, and is only valid for one day. Any account balance not cashed out by day's end will be automatically converted to a credit voucher to be cashed at a later date. Upon request, the teller will present you with your daily account voucher with the sum requested. Printed on this ticket will be your account number and PIN (Account ID).

NB. Please keep your Daily Account Voucher safe, as it is the __ONLY__ way to cash your winnings/remaining balance from __ANY__ teller terminal.
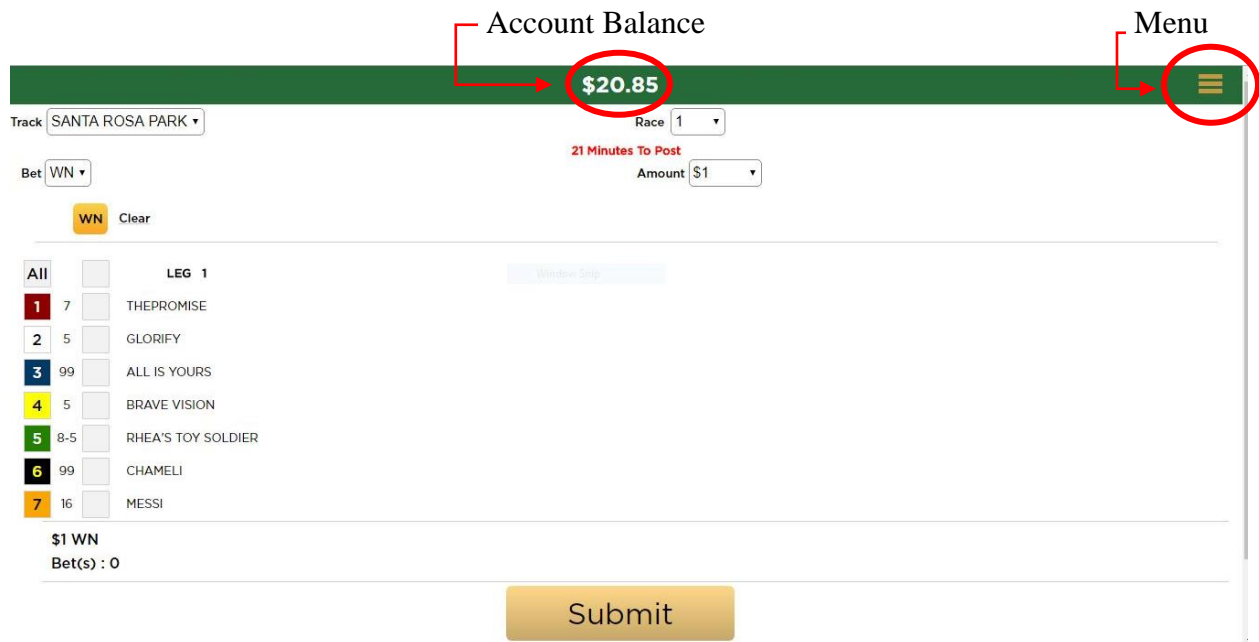

Login into MBet

After browsing to Arima Race Club Mbet's webpage, you will be greeted with the MBet Login Screen as seen below.
You will then be asked to enter your credentials, Account number and PIN.

Wagering Page

After a successful login, the wager page will be loaded where account balance and Menu Icon can be seen. See image below.
