Rules Applicable to MBet & Telephone Betting Account Holder (What is Telephone Betting About?)

Your account will have its own account number, the password for calling in bets will be provided by you. We have two systems available, cash accounts or credit card accounts. Deposits can be made in person via any Amtote teller window at the track or at one of our Off Track Betting (OTB) Shops. You may wager up to the balance in your account and winning tickets will be credited immediately so you may wager against your winnings.

If using your mobile phone, upon request for this service, the Arima Race Club gives you an account number and a password. You are to change the ARC’s password as soon as you set up your MBET account.

If you are 18 years or older and are a national of Trinidad and Tobago you are eligible to open an account with us. Applications must be delivered in person by the Account Holder mentioned above in Section A. Deposits of cash, bank drafts, certified cheques and money orders will be credited immediately to your account. Deposits made by cheque **will not** be credited until six (6) working days following receipt of the cheque. You should be advised that all bets are subject to a 10% government tax.

Bets can be made by telephone each racing day as early as 30 minutes prior to post time of the first race. You are urged to place bets as early as possible as we cannot be held responsible for not registering your bets in time for the race. You should be advised that it takes longer to process a bet by telephone and there is a greater possibility of being ‘shut-out’.

How are bets placed? When you place a bet, you will be asked for your account name. The operator will ask you for your password. If correctly provided, you will be given your account balance and you will be able to make wagers up to that amount. When placing a wager, please specify the **Race Track** and the **Race Number**. **The operator will repeat your wager and wait for your acknowledgement that it is correct.** If a discrepancy arises as to any portion of the accepted wager, the bet that was repeated by the operator and acknowledged by the caller will be considered the actual bet.

If you already have an existing Tele-Betting account then you can use this account to wager into MBet. For creating new accounts or accessing your existing account, please contact our Mutuel Department via 800-4BET (4238) or 642-7223.

From here our Mutuel Department will give you your unique account number and temporary PIN number. We highly advise you to change your PIN number within MBet via change PIN feature you will see.

Daily Accounts

This account is created by any teller terminal, and is only valid for one day. Any account balance not cashed out by day's end will be automatically converted to a credit voucher to be cashed at a later date. Upon request, the teller will present you with your daily account voucher with the sum requested. Printed on this ticket will be your account number and PIN (Account ID).

NB. Please keep your Daily Account Voucher safe, as it is the ONLY way to cash your winnings/remaining balance from ANY teller terminal.

Login into MBet

After browsing to Arima Race Club Mbet's webpage, you will be greeted with the MBet Login Screen as seen below.

You will then be asked to enter your credentials, Account number and PIN.

Wagering Page

After a successful login, the wager page will be loaded where account balance and Menu Icon can be seen. See image below.

The screenshot shows the wagering interface. At the top, a dark green header bar contains the account balance '\$20.85' and a menu icon (three horizontal lines). Red circles and arrows highlight these elements, with labels 'Account Balance' and 'Menu' pointing to them. Below the header, the track is set to 'SANTA ROSA PARK' and the race to 'Race 1'. A '21 Minutes To Post' timer is visible. The bet type is 'WN' and the amount is '\$1'. A 'Clear' button is next to the bet type. The main area lists horses for 'LEG 1':

Color	Number	Weight	Horse Name
Red	1	7	THEPROMISE
Blue	2	5	GLORIFY
Dark Blue	3	99	ALL IS YOURS
Yellow	4	5	BRAVE VISION
Green	5	8-5	RHEA'S TOY SOLDIER
Black	6	99	CHAMELI
Orange	7	16	MESSI

At the bottom, the current bet is '\$1 WN' and 'Bet(s) : 0'. A large yellow 'Submit' button is centered at the bottom.

From here you can place a wager on the track, bet type selected and horse of your choice.
